NOMINATE A TEACHER

We have great teachers in the Clark County School District who go above and beyond, and our community wants to recognize them. Nominating someone is easy. Teacher nominations can be submitted by students, alumni, parents, colleagues, PTA members, community leaders, or anyone who is not related to the teacher and is familiar with his or her great work. Simply write a recommendation (200 words or less) telling us how a teacher makes a difference in the lives of their students, and submit it online at www.TheHeartofEducation.org. It is time for Southern Nevada to thank our best teachers, and it all begins with a nomination.

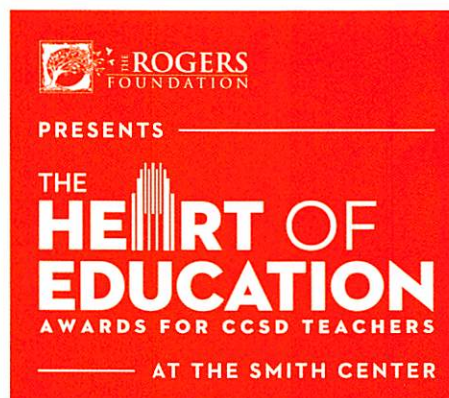

The deadline for nominations is Friday, January 17, 2020

TEACHER APPLICATION

Once nominated, CCSD licensed, full-time teachers in good standing who have completed three consecutive years of teaching in the Clark County School District by the date of their application submission may apply. If this includes you, expect to receive an email notification once you have been nominated.

This will provide a link to an application with an opportunity to share an essay describing your work. Don't be shy. Your story is important to the community and to your profession.

The deadline for applications is Friday, January 24, 2020
