Here is today's trivia. What is the title of the book that this quote comes from?

"Generally, by the time you are real, most of your hair has been loved off, and your eyes drop out and you get loose in the joints and very shabby. But these things don't matter at all, because once you are Real you can't be ugly, except to people who don't understand."

Teachers and students, write your individual guess on pieces of paper with your name and have ONE student bring them to the library before the end of first period for your chance to win a prize.

Greetings. As a reminder, Air Pods, headphones, and ear buds are only permitted before school, inside the cafeteria at lunch, and after school.
