

Mannion Gift Drive

December 1st Through The 15th

Mannion Middle School is holding a gift drive. All donated gifts will go to help local children in need, including children in our very own Mannion community, ages 1 month to 17 years old.

Students who wish to participate may go to room 804 and take an information tag, which contains a child's first name, age, and wish list (a "need" item, and a "want" item). Students may then purchase those gifts, and return them to room 804 or the Community Center on or before the 15th of December.

- Please do not wrap the gifts
- Place each child's gifts in a gift bag along with the information tag (every child should have their own gift bag)
- If the gift is too large for a gift bag, securely tape the tag to the item and bring it in.
- All gifts will be organized by the "Be Kind" committee, before being delivered to their recipients
- We will also happily take any gift cards you wish to donate. All donations will go straight into the hands of students and local children in need
