Course Recommended: _____

Course Requested: _____

2018 SBAC Scores: Reading _____ Math _____

Course Grades: Qtr. 1 Qtr. 2 Sem.1 Qtr. 3 Qtr. 4 Sem. 2

It is our goal at Mannion Middle School to ensure that every student is appropriately placed in classes that offer a successful and challenging experience. The teachers and counselors make every effort to compile information about an individual student to ensure correct placement.

We understand that certain skills are necessary to succeed in accelerated classes. Student’s SBAC scores, grades, and teacher recommendations are used for academic placement of a student. Student/parents who wish to challenge these course requirements and recommendations may do so after careful consideration and consultation with school staff members. It is important to understand that there will be an extra workload involved in accelerated courses. A student is required to be self-motivated to keep up with the rapid pace that is necessary to complete the required course work. **Once the course challenge form is completed and a student is placed in a new course, they will not be allowed to move back to their previous class.** While teachers will make every effort to assist a student in adjusting to a new course, it is understood that continuous private instruction will not be possible. Students/parents must agree to seek outside assistance, should it become necessary.

We understand upon review of the course challenge information and placement test results, our child may be placed in an accelerated class (es).
