- III. New Items:
  - a. Requested Items from November:
    - i. Eric Schroeder requested more information on how Mannion Middle School decided what clubs or groups to support in an effort to help students feel more like "[s]tudents treat other students with respect, regardless of differences like race, ethnicity, gender, or disability." (Page 13 of the School Performance Plan, "Plan for Improving School Climate"). Mr. Schroeder expressed concern the school was focusing on smaller groups with less potential for overall school improvement rather than larger groups of students that are not being treated with respect, such as political groups.
      - 1. Copy of Student Survey Data regarding the CCSD created questions in the category, "Respect for Diversity"
    - ii. Eric Schroeder requested a review of an incident that took place on March 18, 2018, where the school supported a student walkout by allowing the students to leave the school and provide school staff to supervise them. Mr. Schroeder asserts that the administration would have handled the situation differently if the student walkout was for gun rights or arming teachers/staff and not supporting increased gun control.
      - 1. Copy of Mr. Petersen's letter to all parents on March 13, 2018
      - 2. Copy of Mr. Petersen's Parentlink to all parents on March 14, 2018
